U.S. SECURITIES AND
EXCHANGE COMMISSION

COMMISSION ANNOUNCEMENTS

FRIEND-OF-THE-COURT BRIEF FILED

General Counsel Daniel L. Goelzer announced today that the Commission filed in the U.S. Court of Appeals for the Ninth Circuit a friend-of-the-court brief in Hocking v. Dubois, a case in which the full court of appeals determined to review a split decision by a panel of the court. The panel held that the sale of a condominium as to which there exists an optional rental pooling agreement always constitutes the sale of an investment contract, and thus falls within the definition of a "security" under the securities laws. The Commission's brief argues that where there was no affiliation or selling arrangement between the condominium seller and the rental pool operator, the sale was not covered by the securities laws. ADMINISTRATIVE PROCEEDINGS

PROCEEDINGS INSTITUTED AGAINST MATRIX SCIENCE CORPORATIONS, OTHERS

The Commission today entered an Order Instituting Proceedings under Section 15(c) of the Securities Exchange Act of 1934, and Findings and Order of the Commission (Order) against Matrix Science Corporation, Joseph S. O'Flaherty, Thomas B. Maher, Arthur E. Davis III, John K. Cieszynski, Morris Stewart, Thad David York, and Ali Bassiri. The Order finds that Matrix materially overstated net sales and net income for the second quarter of fiscal 1986 and the first and second quarters of fiscal 1987 by engaging in improper revenue recognition practices: (1) "holding open" quarters beyond their calendar cutoff dates to record additional sales as revenues; (2) "preinvoicing": recognizing orders as sales in a particular quarter when orders were not shipped during that quarter (even where the quarter was "held open" to accommodate extra shipments) by issuing invoices for the orders; and (3) delaying issuance of customer credit memoranda for product returns. Without admitting or denying the Commission's facts, findings or conclusions, respondents consented to the Order.

Simultaneous with entry of the Order, the Commission filed a Complaint seeking permanent injunctions against former Matrix officers, Ronald A. Hammond, John H. MacQueen, and Thomas O. Fleming, Jr. [see LR-11904]. (Rel. 34-26234)

CIVIL PROCEEDINGS

PERMANENT INJUNCTIONS ENTERED AGAINST RONALD A. HAMMOND, OTHERS

The Commission today filed a Complaint in the U.S. District Court for the District of Columbia seeking to enjoin Ronald A. Hammond, John H. MacQueen, and Thomas O. Fleming, Jr., former Chief Executive Officer, Executive Vice President of Manufacturing, and Chief Financial Officer, respectively, of Matrix Science Corporation from violating antifraud provisions of the Securities Exchange Act, rules prohibiting lying to auditors and falsifying records, and from aiding and abetting violations of the reporting, books and records, and internal controls provisions of the Exchange Act. Defendants, without admitting or denying the Complaint's allegations, consented to Final Judgments.

The Complaint alleges that defendants caused Matrix to overstate materially sales and net income for three fiscal quarters by engaging in improper revenue recognition practices: (1) "holding open" quarters beyond their calendar cutoff dates to record additional sales as revenues; (2) "preinvoicing": recognizing orders as sales in a particular quarter when orders were not shipped during that quarter (even where the quarter was "held open" to accommodate extra shipments) by issuing invoices for the orders; and (3) delaying issuance of customer credit memoranda for product returns. It further alleges that defendants also caused false records to be prepared, overrode Matrix's internal controls, and lied to Matrix's outside auditors. (SEC v. Ronald A. Hammond, et al., USDC DC, Civil Action No. 88-3151). (LR-11904; AAER-208)
